

God is God

Believers must believe God is who He says He is in scripture, that He loves us and desires a personal relationship with us. It is understanding any love we have for Him exists because He loved us first.

<i>Day 1</i>	<i>Day 4</i>
<p>Read Psalm 8</p> <p>What does this scripture say about God?</p> <p>Look at verse 4 again. What feelings rise up when you read these words?</p> <p>Why?</p> <p>According to this Scripture where do we fit into God's created order?</p>	<p>I've heard many say, "When I get to heaven I'm gonna ask God why _____ (you can probably fill in the blank). Maybe you too have said these words.</p> <p>If you could literally ask that question, how would you fill in the blank?</p> <p>Read Job 37:5</p> <p>What kind of things does God do?</p> <p>What "great" things could God possibly do with what seems bad to us?</p> <p>Faith is believing God knows what He is doing, that His way is better, and it is all for our good.</p>
<i>Day 2</i>	<i>Day 5</i>
<p>God is the Creator of all things. He is the potter and we are His clay. Close your eyes and imagine God forming you from nothing. Imagine yourself in His hands... molding and shaping you.</p> <p>Are you happy with how He created you? Is there something you would change? Why?</p> <p>Read Psalm 139: 13-18</p> <p>Believing God is God is accepting we were created in a very intimate, personal way. He knit us, formed us from no form at all....in a secret place. All of our days are ordained by Him.</p>	<p>Complete the following with as many words as you can think of...</p> <p>God is _____. Go ahead, be honest. He knows what you think anyway.</p> <p>Take a moment and go to www.biblegateway.com and enter in the search menu "God is" and include quotation marks.</p> <p>What did you find?</p> <p>Which characteristic sticks out in your thoughts?</p> <p>Why?</p>
<i>Day 3</i>	<i>Want to learn more?</i>
<p>Our culture takes great pride in knowledge. We spend years getting an education. We look to the educated for wisdom and understanding. Remember the saying, "knowledge is power"?</p> <p>Read Isaiah 55: 8-9</p> <p>What is your response as you read these words? Are you offended? Does it make you uncomfortable to realize you will never fully understand God's thoughts... His ways?</p> <p>Why?</p> <p>Is it possible that expecting to completely understand God might be a bit prideful? Like putting the created over the Creator?</p>	<p>Sister Talk:Going Deeper is an extension of the study our group did this summer.
